

## PUBLIC NOTICE

The Milford Lions Club Service Foundation accepts applications until 5:00 p.m., January 31<sup>st</sup> each year for grants from the **Eunice S. Reed Fund** to benefit the Greater Milford Community. Grants are awarded the following June.

The Milford Lions Club developed the grant program to enhance the Greater Milford Community. The program is designed to empower the grant recipients to develop or expand innovative enhancements to the Greater Milford Community.

Requests should be for a minimum of \$5,000. This is a matching program, with grant recipients required to provide at least 10% of total project funding, unless in the judgment of the Awards Committee the project merits waiver of this requirement. The application letter must include the purpose of the project, the amount being requested, how the funds are to be spent, and a schedule for completion of the project.

Eligible applicants include schools, not-for-profit organizations, civic associations, and other community organizations. Applicants are encouraged to establish cooperative partnerships with other parties, including private industry.

Eligible activities are those that will benefit the Greater Milford Area. Grants will be awarded to those applicants whose project(s), in the judgment of the Milford Lions Club, will provide the greatest benefit to the Greater Milford Community.

Applications are available on the Milford Lions Club website, [www.milfordlions22d.com](http://www.milfordlions22d.com), or from any member of the Milford Lions Club.

Return completed applications to: Milford Lions Club Service Foundation
