During recent years, The Milford Lions Club has provided computers adapted for use by individuals who have visual impairments. We make sure that needy veterans receive eye exams and glasses through our affiliation with the Home of the Brave. Along with providing eyeglasses and eye examinations for needy local residents and school children, we also support the Lions Eye Bank of the Delaware Valley, Lions Vision Research Foundation and the Leader Dogs for the Blind Program.

We need your help to continue this important work. Please look at the support options to see how you can help.
